

DeuS, Brut Des Flandres

Belgian Special Ale 11.5% ABV

For DeuS, it's all about time. It takes a minimum of one year to make. Brewed and fermented in Belgium, DeuS spends 12 months in the *caves* of France where the bottles are aged and conditioned to perfection. Riddling and *dégorgement* give DeuS the shimmer and life of a grand Champagne. For each 12 bottles produced, one is used to manually fill the bottles to the proper level. Everything you know about how true Champagne is made is also true of DeuS, except that it's a beer and not a wine!

DeuS is sparklingly clear and effervescent with a beguiling, deep and complex aroma of lavender, pepper, lemon and mint. On the palate DeuS is light and fleeting, lively with a lean and restrained malt character and a cascade of herbal flavors and a dry, crisp elegant finish.

The Best Of Both Worlds!

Since 1791 the Bosteels family has owned and operated a brewery in Buggenhout, Belgium. Through generations of brewing world-class beers, nothing has approached the elegant perfection of DeuS.

POS Available: Ice Buckets and Glassware
