

Tripel Karmeliet

Belgian Tripel 8.4% ABV

From the elegant, distinctive glassware to its shimmering golden hue Tripel Karmeliet is a beer that finds a place at every beer lovers table. Novices are drawn to it's subtle maltiness and accessibility while experienced beer enthusiasts find layer upon layer of fully-realized flavor, depth and complexity.

Brewed with three grains (oats, wheat and barley) and moderately hopped, Tripel Karmeliet is slightly sweet, malty and spicy on the palate, with tones of coriander and white pepper. On the nose it's coriander and a very mild hop resin note mingling with full, fruity nose that fades to a beautiful honeyish aroma.

Since 1791 the Bosteels family has owned and operated a brewery in Buggenhout, Belgium. Their flagship and multi-award winning beer is Tripel Karmeliet.
