La Chouffe

Spiced Golden Ale
8% ABV

Brewed with spices and bottle conditioned, La Chouffe pours a beautiful orange-yellow with a lush head and aromas of peppery spice. Flavors of candy sweetness and fruity esters are balanced by a creamy dry finish in this highly carbonated and gently warming ale.

McChouffe

Belgian Brown Ale
8% ABV

Rich brown in color with a light tawny head, McChouffe is a full-bodied beer with notes of caramelized malt, dark fruit, and subtle chocolate. It has a complex and lingering finish with a lush and smooth mouth feel.

Houblon Chouffe

Dobbelen IPA Tripel
9% ABV

Houblon Chouffe is a Belgian Tripel with American-amounts of Tomahawk, Amarillo and Saaz hops. Think of it as a 9% Double IPA/Belgian Tripel mash-up. Houblon pours a pale golden color with a stark white head and aromas of grassy hops. The finish is moderately bitter with notes of spicy yeast.

N'Ice Chouffe

Dark Winter Ale
10% ABV

A winter warmer, rich in aroma and taste, spicy, full of complex, fruity and berry-like vinous flavors that are complemented by malt overtones. Brewed with spring water, malted barley, hops, and spices including thyme and Curaçao orange peel, as well as plenty of dark candy sugar.
