

COASTAL FUSION MIDWEST INDIA PALE ALE

Tallgrass is back in the IPA game! We have taken our time to develop a unique IPA that fuses the best characteristics of both coasts. Coastal Fusion has big, juicy citrus notes upfront with a dry, bitter finish; creating a new “Midwest IPA” category! Already a company favorite, this IPA comes in at 7%, and is the punch in the mouth you’ve been missing from our lineup. We send this “From Kansas With Love” to you, our loyal Tallgrassers. Cheers to 10 more years, and cheers to being MidwestAF!
