TAMING THE DEVIL'S COMPANION LONDON-STYLE PORTER

"... The stray devil had begun leaving the dispossessed souls of damned squirrels at my doorstep each morning. To his credit, he seemed to think he was doing me a great favor, and it became a sort of morning ritual for the both of us. Not to be confused with the dread ritual that had summoned him to this plane of existence, of course..."

666 Stygian St.
London, England

GOLD MEDAL
2016 Best of Craft Beer Awards

A London-style brown porter. The forefront of this beer is malt with delicate, distinct dark chocolate notes overlapping a subtle toffee character.

notes:

**DARK CHOCOLATE
CREAMY CARAMEL
WARM & MILD**
