

KEY LIME PIE BEER

ALE BREWED WITH LIME PEEL

After a brief draft only release in 2016, we knew we had a fun and exciting summer style beer for the future! With the massive success that followed in 2017, Key Lime Pie became the founding brand in our Confectionary Lab series. Rich and creamy, tart and slightly sweet with a graham cracker finish, our Key Lime Pie is the closest you'll come to drinking your dessert. Cheers to a summer full of enjoyment with friends and family by the ocean, lake, river, or pool of your choosing!
