

Paulaner Original Munich Lager, A True Classic

The perfect session lager.

This beer is credited for being one of the most popular Munich lagers. Moreover, our brewmasters were among the first to bring Munich lager beer to Bavarian taps. The recipe for success remains: A perfect balance of malty character and the light bitterness of hops.

Our Original Munich Lager is a true classic with its clear and bright gold sparkling hue, crowned by a pure white head. A beer which always goes down well: mild, elegant malts, with a hint of sweetness and a soft hint of hops in the background. This Munich beer is ideal to accompany spare ribs and spicy dishes. Just try it!

Paulaner is brewed in strict accordance with the Bavarian purity law of 1516, using only water, malt, hops and yeast.
