LAKEFRONT PILS

GERMAN-STYLE PILSNER

For many of us at Lakefront, the Pilsner is one of the first beers we've ever tried, making it near-and-dear to our hearts. It's honest: the clear, golden pour has nothing to hide. The straightforward, medium-light body delivers peppery and grassy flavors, followed by grainy, honeyed malt notes. Finally, Lakefront Pilsner finishes dry with a lingering hop spiciness.
