CAN I BE BLUNT?

Our PINNER Throwback IPA is as close as you're ever gonna get to tasting some twisted up calm in the Oskar Blues chaos. We crammed so much damn aroma—and boatloads of hop & malt flavor—into this beer, but we kept it crushable too. At 4.9% ABV and 35 IBUs, this edgy-yet-easygoing, drinkable IPA uses an array of hops to target its ever-evolving flavor. With tropical fruits, citrus juices, pineapple, berry, and spice up front in the aroma and flavor, the biscuit & toasted bread at the back balance out all the hops and make for a great finish just in time to blaze on to your next can of PINNER.

In 2002, our funky little Colorado grown brew-pub started stuffing our huge, voluminously hopped mutha of a pale ale in a can (Dale's Pale Ale). Cans keep beer fresher, longer by eliminating the damaging effects of light and ingressed oxygen while being infinitely recyclable and portable . . . taking them where your next soul saving adventure takes you.
