

Paulaner Premium Pils, Elegant and Refreshing

A traditional German Pilsner.

Paulaner Pils is the connoisseur's quintessential favourite. The very first taste reveals that this beer is a masterpiece: Full of flavour, elegant and refreshing. The color is a brilliant yellow, the head pure white, the taste harmonious with a note of hops and overall, pleasantly dry and crisp.

Paulaner is brewed in strict accordance with the Bavarian purity law of 1516, using only water, malt, hops and yeast.
