SINGLE FERMENTED BELGIAN GOLDEN ALE

50cl 4 Pack Cans, 20 and 50 liter kegs
Shipping June 2018

Nearly 150 years of brewing experience, tradition and innovation come together to create this exceptional golden ale. Brewed in Belgium with two-row summer malts and noble hops, then dry hopped with Citra, Duvel Single Fermented is crisp, beautifully balanced and remarkably refreshing.

Previously only available as in 20 liter kegs, Duvel Single Fermented has proven to be a best seller and consumer favorite on draft in select bars and restaurants for the last 8 years. In June 2018 the available offerings will expand to include striking black and red 50cl 4 pack cans, along with a new glassware option, a new tap handle and the addition of 50 liter kegs in select markets.
