BEHIND THE BREW

Summit Slugfest is an unfiltered IPA with an orange appearance, low in alcohol and bitterness but big in citrus hop flavors and aromas. Seeking to connect new American IPA trends with our classical European approach to brewing, Slugfest offers aggressive and powerful citrus hop flavors and aromas of tangerine, melon and lemon, thanks to hop varieties Huell Melon, Azacca and Mandarina Bavaria. Malt notes of toast, English biscuits and breadcrust provide this session-style ale with balanced drinkability.
