A TRANSITIONAL MINISERIES IN FOUR PARTS DDH LAGER

FOUR PACK 16 OUNCE CANS

ESTD **Schell's** 1860

* AVAILABLE THROUGHOUT 2020 *
- WHILE SUPPLIES LAST -

This double dry-hopped lager series is a nod to our 160 years of brewing. You could say we've seen a lot of changes in our time, and beer is no exception. While brewing fine German lagers is our bread and butter, innovation and versatility are keys to our longevity. Although it may seem a little unconventional for Schell's to brew a double dry-hopped beer, you know what they say...Shift Happens.
