

SUMMIT TRIUMPHANT SESSION IPA

BEHIND THE BREW

Hopped up in flavor, but not in calories, carbs or ABV, Summit Triumphant Session IPA has all the taste of a traditional IPA yet only clocks in at 95 calories, 3.5g of carbs and 4% ABV per 12oz serving. This light-bodied, drinkable IPA has tropical aromas of pineapple, grapefruit and apricot with flavors of breadcrumb and sweet citrus for a refreshing, clean finish. Triumphant has all the flavor and none of the guilt. So go ahead, enjoy one and celebrate your everyday triumphs.
